BEST BETS

RACE 2 #3 Dunph has rolled four straight "3's", and what tht does is give me agita. Five year old found the line first in his sole 1X to 2X attempt on a fast track and closed out the exacta in one of two Saratoga tries. Good price if he scores.

Race 6: # 5 Value Engineering has yet to finish out of the money, which includes a win & a placing from as many tries on the Mellon, and Brown has a crisp 5 for 12 ledger with those going long on the lawn at this level at 28-1 or less here.

Race 10: # 1 Digital Software has the best overall body of work in the field and drops for the third consecutive time today, and is a winner if he is sound & ready.
