Thank you for purchasing today's **Dennis Stagliano Signature Series – Saratoga Tip Sheet**. I sincerely appreciate your continued confidence and support. Every selection is based on more than four decades of professional handicapping experience, emphasizing class, current form, pace analysis, trainer intent, jockey assignments, and wagering value. GOOD LUCK TODAY!

Every racing card presents new opportunities, but the most successful horse players understand that long-term profits come from discipline, patience, and sound bankroll management. Stick to your wagering plan, avoid chasing losses, and focus on making quality bets rather than simply playing more races. Remember, the **Top 4 Picks** identify the horses most likely to contend, while the **Best Bet**, **Best Value Play**, and **Live Longshot** highlight the races where I believe the wagering opportunities are strongest. Use the **EXOTICS** recommendations as a guide when constructing Exacta, Trifecta, and Superfecta tickets. **FYI:** Dennis' favorite

exotic wagering strategy is to box 50% of his wager (as shown after each race) and then to bet 50% on top 2 over top 4 in exacta's, tri's and supers.

Whether you're playing Saratoga every day or just the major weekends, I sincerely appreciate the confidence you've placed in my handicapping service. I hope today's selections help you cash plenty of tickets and make your afternoon at **The Spa** both exciting and profitable.
